Attempt at Suicide.

While the walks in the Public Garden were crowded yesterday afternoon about 2 o'clock, people near the entrance gates at the corner of Beacon and Charles streets were horrified to see a man suddenly plunge a knife repeatedly into his throat and fall to the ground.

While waiting for a conveyance an officer questioned the would-be suicide, who was about 50 years of age, as to his name, address, and reason for wishing to end his life, but the man steadfastly refused to give any information regarding himself.

The above is the familiar but terrible story of the results of mental derangement caused by overstrain of the nervous system. People who have dizziness, headache or trouble, or who are troubled with melancholy or nervous feelings, are already well on the way which leads to insanity and suicide.

YESTERDAY'S vote by the senate repealing the Sherman silver law did not have the effect on the stock market that the bulls expected. In the first place, London cables ordered to sell various stocks, much to the disappointment of local operators, who were confident that the action of the senate would result in a flood of buying orders.
